

## **Medical Education Unit, IGMC Shimla**

### **Induction course report, 2019**

Medical Education Unit, IGMC Shimla conducted an Induction course for Post graduate students in Indira Gandhi Medical College, Shimla from 5<sup>th</sup> Nov to 9<sup>th</sup> Nov 2019, in lecture theatre No 5 from 1 to 5 PM. Post Graduate students of batch 2019 (1<sup>st</sup> year) of all departments of I.G.M.C. per-suing MD/MS course were participants in this course .

The first day of the course (5<sup>th</sup> Nov, 2019) commenced with the welcome of all members of M.E.U. and participants by Dr Kiran K Mokta, Associate Co-ordinator .Subsequently Dr Anmol Gupta has enlightened the participants about importance of Induction course . Dr Yuvraj, Co-ordinator M.E.U. then familiarised the participants about teaching schedule of 5 days and started with first session on Doctor Patient Relationship .

As per the schedule (attached) the planned sessions were conducted in Lecture Theatre No 5.

On 7<sup>th</sup> Nov 2019 , worthy Principal of I.G.M.C. Dr Mukand Lal addressed the post graduate students and motivated the residents through his presentation, to be sincere and hard working. He encouraged them to achieve their goal by dedication toward their profession .

Only one resource person, Dr Usha Bande was from outside the institution who has delivered the session on Building of patient Communication .

Dr Yogesh Diwan and Dr Anamika Thakur and Dr Ram Lal Sharma were also remained present during the course .Many of sessions were also attended by faculty members of other departments .

After completing the course on 9<sup>th</sup> Nov, the feedback from participants were taken and followings were their suggestions .

- \* It should be held in the first month of MD/ MS session because Departments can freely spare them .
- \* In spite of 5 days post lunch sessions the course should be of full two days .
- \* Some students have advised for addition of one introductory session also .
- \* Some aspects require periodic / regular sensitization of PG students (Sample collection and biowaste management )
- \* More sessions on research methodology.
- \* Addition of one session on intradepartmental communication

Input from the resource persons were also sought and they advised as

- \* Conduction of induction course in the beginning .
- \* keeping one session of ice breaking for eliminating hesitancy for interaction.

Finally vote of thanks was given by Dr Yuvraj.

Course coordinators has discussed the good and poor aspects of performance , related to this course with other members of MEU . Points were noted in the activity register of MEU and will be discussed with the principal I.G.M.C. for enhancement of effectiveness of this programme.
