

Name: Dr.Tulika Shrivastava Madaik

Designation: Assistant Professor

Department: Physiology

Email: doc.tulikas@gmail.com

Phone no.: 9816455877

Educational Qualifications:

Graduation: MBBS - Bangalore Medical College and Research Institute, Bengaluru, Karnataka

Post-Graduation: MD Physiology – IGMC, Shimla

Areas of interest: Cardiovascular Physiology

Publications:

- 1) TulikaMadaik, Prakash C Negi, Anita Padam, Urmil Gupta. Subclinical Systolic Dysfunction Among Newly Diagnosed Hypertensives With Preserved Left Ventricular Ejection Fraction Using Two Dimensional Strain Imaging Method; Prospective Hospital Based Case Control Study. National journal of medical research 2014;4(1):27-32.
